Airport funding approved

After close to a decade of planning and studying, the upgrading of the Stanhope Municipal Airport is finally ready for flight.

Federal Transport Minister Benoit Bouchard last week approved a $790,000 grant for this project, which is expected to open the airport up for far more usage.

Not surprisingly, Stanhope Township Reeve Harry Davis is very happy with the announcement. "It's the culmination of a lot of hard work," said Davis, who has been personally involved in the project for about ten years. "It will make quite an improvement," he said. In addition, it will have a social and economic impact on Stanhope Township and Haliburton County. "This is a great thing for Stanhope," said Davis. "There was a lot of work involved in this."

Victoria-Haliburton MP Bill Scott announced the grant approval on behalf of Bouchard. In a press release, Scott said the improvements to the airport, "will create many economic benefits for the tourism industry and for local construction and manufacturing companies."

The estimated cost of the entire project is $1-million. In addition to the contribution from the federal government, the province and municipality are expected to share a contribution of $210,000.

The upgrading project will include a slight re-alignment and paving of the runway. The airport will have an exit taxi-way and apron lights will be added along the runway and taxi-way. There will be a parking area for 20 cars and a refuelling facility for the aircraft will be installed. In addition, meterological aids, such as wind speed and direction measuring equipment will be installed.

The social and economic benefits this airport upgrading is expected to generate are already outlined in a cost-benefit study, which was completed in 1987 with the help of a $25,000 federal grant.

The funding for this project is being made available through Transport Canada's financial assistance program for local and community airports.

124th, another successful county fair

The village of Minden may well have been a city for the weekend as thousands of people made it out the fairgrounds to experience the 124th Haliburton County Fair.

The "Friendly Fair" has been an annual event since 1864, but with a tremendous number of exhibits and events being run throughout Saturday and Sunday, this year's has to be one of the best.

The weather couldn't have been better for enjoying the fair. The heat wave that has gripped the province all summer finally broke, making for some very pleasant weather.

Although the midway was in operation Friday evening and there was a teen dance at the community centre, the official opening of the fair was not until Saturday's parade made its way into the fairgrounds.

During the opening ceremonies, the audience heard some brief remarks and greetings from the Agricultural Society president Mary Jane Irwin, Minden Reeve Sinc Nesbitt, Victoria-Haliburton MP Bill Scott, and Haliburton County Warden Bob McCausland.

Almost an entire year of work by the volunteers of the Agricultural Society went into making this fair a succcess and Irwin made a special point of thanking all the members who have worked so hard. She also thanked all those who entered the exhibits and competitions, noting that without them, there really wouldn't be a fair.

As County Warden, McCausland officially opened the fair. He brought greetings from members of county council and invited all to enjoy the two full days of friendly competition.

Before closing the official ceremonies, Irwin had one more enjoyable task to complete. She took the opportunity to present a diploma to Roy and Rita Hughes, who have been involved in the fair for many years. The diploma comes from the Ontario Agricultural Society and recognizes outstanding contributions made by Society members.

The Times office will close this Tuesday at noon - open as usual Wednesday

Davis Lake has public access, says Ministry

In response to a letter to the editor from Mr. Robert Swanton and an editorial in last week's Minden Times concerning access to Davis Lake, Stan Flemming the Fish and Wildlife Supervisor with the Ministry of Natural Resources in Minden indicates that, "the public do have access to Davis Lake."

"There is public access to the lake for small craft directly from the Davis Lake Road," says Flemming. "Winter access is also readily available from this road and each winter there are 6-8 fish huts located on the lake," he added. "It is definitely not the Ministry's policy to spend public funds on lakes which are closed to the public."

Flemming indicated, "the ministry has discussed this matter with the Municipality and they have agreed to improve public access to Davis Lake, including the addition of boat launching facilities."

Flemming explains that, "the work is being done to enlarge and improve lake trout spawning shoals which have been degraded due to a build up of sand, silt and algae." He went on to state that, "this work will hopefully result in improved spawning success and eventually an increased lake trout population benefitting all anglers."

If you have any questions about the project, please contact the Minden District Office.

Dorset acid rain report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing laboratory in Dorset and compiled by Environment Canada.

There were four periods of precipitation recorded during the past week.

August 8 - 6 mm rain, 4.1 pH, from Illinois, Michigan and southern Ontario.

August 9 - 23 mm rain, 4.3 pH, from Illinois, Indiana, Michigan and southern Ontario.

August 11 - 2 mm rain, 4.5 pH, Wisconsin, Michigan and Lake Huron.

August 13 - 2 mm rain, 3.8 pH, Kentucky, Indiana and southern Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

The best

When it comes to County Fairs, Haliburton's is not the biggest or the oldest. It's just the best.

After running a fair every summer for 124 years, it must be a real challenge to the members of the Agricultural Society to keep it from becoming the same old thing. However, year after year, the fair just keeps getting better and better.

Agricultural Society president Mary Jane Irwin and a host of other dedicated volunteers can relax for a while now with the relief that another successful fair has passed. However, it is a sure bet that the time for relaxation will be short. For once one fair is past, Society members are right back at it, planning for the following year.

This is why the Haliburton fair is always such a success. The hard work put in by volunteers all goes to make a great event. And this year's fair tops them all.

The challenge now will be for the Society to top this year's fair. It's hard to imagine that this is possible. But with 124 years of experience, we're sure the fair will always be a great part of the county.

Time for a career change

black 'n white

by Arthur Black

Here are three reasons I wouldn't trade newspaper column writing for any other listing in the Yellow Pages.

(a) no dress code
(b) great working hours (anytime you want)
(c) no Christmas office party

Here is one reason I sometimes dream of giving up this line of work in favour of dew worm picking, wolverine wrestling or operating a ham sandwich franchise in Jerusalem:

(a) you have to do it
Every
Week.

Toothache? Too bad. Wife left you? Tough. Transmission on the station wagon sounds like it's having baby transmissions without benefit of anesthetic? Message on your answering machine urging you to call Revenue Canada by yesterday at latest? That little flutter under your left nipple seems to be coming back more often and staying longer?

Yon editor with the mustard seed sized heart still wants his 1500 words and couldja make it a little more UPbeat fer cryin' out loud?

But that's not the worst of it. The worst of column writing rolls around every year just about this time. The Dog days of summer, when the entire world seems to take the phone off the hook and go on vacation. School's out. Parliament, that virtual shooting gallery of column topics, has a CLOSED FOR THE SEASON sign hanging on the door, and the rest of the world seems to have gone to the cottage. Nothing is happening. Ergo, there's nothing to write about.

Well, almost nothing. There is one failsafe, general interest topic that any columnist can turn to when all the other columnial water holes have dried up.

It's called California. It's nickname is the Golden State but that should be changed to the Breakfast Cereal State, because there are more nuts and flakes per square inch of California turf than you'll find this side of a Three Stooges Retrospective.

Want me to prove it? Okay. Exhibit A: this recent issue of the *Los Angeles Times*. Page one carries a nice graduation story datelined Fresno. It's about a petite 18-year-old named Joely Kragh. There's a photo of Joely - five foot two, 86 pounds - demurely holding up the present her folks got her for making it through high school.

It's a snub-nosed .38 caliber revolver. She's taking it with her to the University of California this fall. "I have read a lot of articles about rape and murder, and the prospect of being alone at night without any means of defense worried me" said Joely.

The largest city in California is Los Angeles - largest city in the world perhaps, if you take your measurements in pavement. LA is the town where cops will stop and ask you what you're up to if they find you walking on the street. Nobody walks in LA. Nobody takes public transit either. They can't find it. Oh well, there's always the famous expressways - if you don't mind people taking pot shots at you. You heard about the Expressway Murders? A small article here on page three of my copy of the *Los Angeles Times* says the two best selling bumper stickers right now read DON'T SHOOT - I'M RELOADING and COVER ME - I'M CHANGING LANES.

Ah, but here's the story I've been waiting for - tucked into the bottom left hand corner of page eight. Vintage California. It's datelined Santa Ana and it tells how Robert Hanshew has been fined $58 for illegally using the expressway car pool lane. L.A. law stipulates that during rush hour, cars in the fast lane must contain at least two people. Bob Hanshew was stopped last month by the LAPD. "S'amatter?" groused Hanshew jerking his thumb at the two figures in his back seat. "I got two passengers!" Yes, the police officer agreed, but they're dead, sir."

Frozen, in fact. Bob Hanshew works as a driver for a mortuary service. The judge ruled that cadavers don't qualify as car pool members.

Nice try, Bob, but I guess you have to be alive to qualify for life in the fast lane.

Even in California.

Immersion can be harmful

Editor:

The recent letters on french immersion have compelled me to write.

Brenda Callaghan's letter to the editor in the August 8 edition of The Times points out that students in french immersion lag behind their peers from kindergarten through grade 3, but by grade 5, outperformed their comparison groups.

I would like to inform your readers that many, many children placed into french immersion schools do not reach the grades in french immersion where their improved performance may be monitored. From speaking with many families in Ottawa, I was shocked to learn that parents have had to take their children out of french immersion because their children's emotional well-being was at stake. The parents reported that their children felt isolated in the immersion environment and were extremely frustrated with not being able to communicate and understand the world around them. Indeed, the pressure on them to learn their class work while trying to decipher a different language is incredibly stressful for a four - to seven - year - old.

Brenda Callaghan is fortunate; she claims that french immersion did her no harm. I can only assume, however, that more is being expected of children in today's french immersion programs. Why else are children begging their parents to remove them from these schools?

M. Louise Fleming,
Ottawa.

Levels reach all-time low

In spite of recent rains, the water levels in Haliburton area lakes are still more than 15 per cent lower than the 10-year average for August 2.

As of that date, area lakes were averaging 58.2 per cent of their capacity. This represents a 3.3 per cent decline from the previous week. The 10-year average for August 2 is 71.7 per cent, although the levels of the lakes at this time last year were only slightly higher than they are now.

Tributary flows from these lakes via the Gull, Burnt, Nogies, Mississauga, Eels and Jack streams have been kept very near minimum again this week, according to the Trent-Severn Waterway.

Otonabee River flows too remain at minimum and the Kawartha Lakes, which received a little rain last week and this week have been slowly creeping downward while within range.

Lake Simcoe - Couchiching actually increased a little as a result of some of the heavy downpours. A small increase in flow to the Severn River may soon be possible there.

This season has been very hot and much drier than normal in most areas of Canada. Along the Trent-Severn these conditions are resulting in decreased levels and flows. Recent rains have only had a minor moderating effect so far.

Seniors grant

The Haliburton District of the Ontario Senior Games will be receiving $4,205 under the New Horizons Program of the federal department of Health and Welfare, MP Bill Scott has announced.

The grant is one of five in the riding to receive approval. The money will be used to celebrate the Senior Games Committee's participation in Actifest '88 and carry out its organization strengthening plan.

The committee intends to establish an organization to effectively involve retirees from the county in the 1989 games.

New HHSS principal looks forward to school year

In just a few short weeks, the halls and classrooms at Haliburton Highlands Secondary School will once again be filled with students and staff as another school year kicks into gear.

And when everyone arrives, they will be greeted by Peter Forgrave, who is replacing Andy Hemphill as the principal of the school.

For the new principal, the move to Haliburton is viewed as a move south in Ontario. For the past 19 years, Forgrave has worked at Michipicoten High School in Wawa, most recently as vice principal.

Forgrave says he is excited about his move here. Along with his wife Laraine, and their three children, Forgrave is looking forward to participating as a member of the community.

In some ways, Wawa and Haliburton are alike. They are both small municipalities with a great deal of community spirit. After 19 years in Wawa, Forgrave said he and his family decided that they wanted to continue living in small community. "A sense of community is important to us," he said.

The new principal of Haliburton Highlands Secondary School is Peter Forgrave. Originally from Georgetown, Forgrave has taught for the past 19 years at a school in Wawa, Ontario. He says he enjoys the community spirit that is associated with living in a small town.

Unlike Wawa, though, Haliburton is quite close to a number of larger centres and to their families.

Forgrave is originally from Georgetown. He graduated from Waterloo Lutheran University (now Sir Wilfred Laurier University) in 1966 with a Bachelor of Arts majoring in engineering and psychology. In 1967 he attended McMaster University, here he earned his Bachelor of Physical Education. Forgrave continued to take courses during the summers and in 1982, he received his Master of Education from Brock University.

Before moving to Wawa, Forgrave taught phsycial education and engineering at a school in Brampton. Until 1981 he was the head of physical education at Michipicoten High School, which also meant he coached almost every extra-curricular sport. One of his volleyball teams captured the provincial championship with his coaching.

Although there was bound to be a bit of reluctance to the move at first, Forgrave says his children, Susie 13, Melissa 12 and Greg, 7, are all pleased to be coming to Haliburton. "We're all looking forward to this," he said. "We feel fortunate to be able to come to this part of the province."

Another great parade

The Haliburton Legion Pipe Band was at the head of the parade as they crested the hill by Archie Stouffer school on their way to the Minden fairgrounds. The fair parade was, as usual, an enormous hit with its many colourful floats, horse teams, and marching bands. The Oshawa Shriners were in the parade again this year, with their clowns, mini-bikes and marching band.
Below: Candy floss is a staple food of any carnival and Shauna and Debbie Ray made sure they had their share Saturday morning.
Right: Ashton Childs makes friends with a miniature horse, Tiny Trinket. Ashton was visiting relatives in Lochlin but she may want to bring this little mare home to Toronto with her.

Minden O.P.P. notes

During the week of August 8 to 15, officers of the Minden OPP detachment, investigated 115 general occurrences and 14 traffic accidents with four persons injured.

Mischief

Wayne Hurkens, age 20 of Lindsay, has been charged with mischief after a complaint was received about road signs being run down on County Road 16. Hurkens will appear in Provincial Court in Minden on September 7

Constable Mark Davis investigated.

Thefts around the county

Driftwood Restaurant Haliburton - beer, liquor, cigarettes; Horseshoe Lake two coolers with beer. Eagle Lake - Mistral windsurfer, paddles, lifejackets. Scotch Line Road - logging tongs. Green Lake - ghetto blaster, liquor. Harcourt - jewellery in two display cases. Rockcliffe, Minden - ladies beige leather purse. Valu-mart, Haliburton - money. Haliburton Marine - gas tank, paddles. McClintock Twp - Honda generator. Sugar Is - Gull Lake - Duro piston pump.

Found

Gull River - canoe. Gull Lake - dinghy.

Motorcycle recovered

A 1984 Yamaha motorcycle, red and white, has been found in the bush off the Indian Point Road on Drag Lake. The motor cycle was stolen from Toronto in June. The motor cycle was seen being operated around Drag Lake by a white male about 6 feet, slim build, dirty average length hair wearing black shorts.

Anyone with information on this motor cycle or the person operating is asked to call police at 286-1431.

Provincial Constable Al Bibby is investigating.

Truck recovered

The investigation of a single vehicle accident on Highway 118 west of Carnarvon revealed the truck was stolen from Orillia. The driver was seen leaving the scene and was arrested several hours later six kilometres west of the accident scene.

Barn dance raises $3,000

Submitted

The North Country Express country western band was looking for a reason to put on a charity dance night for a good project. Doris Robertson, the piano player of the band, suggested that the Hyland Crest Home needed a new bus and the scene was set.

The members of North Country Express took their idea further and, with the corporate backing of the Kawartha Dairy, began to organize the main event. After many hours of hard work on August 13, it became a reality.

The Kawartha Dairy Barn Dance kicked off with North Country Express opening the continuous music parade with the ever so popular country and western music. The members of the band are: Kirk Bull, base guitar, Eldon Bull, rhythm guitar, Rob Crowe, drums, Doris Robertson, piano, Lloyd Madill, lead guitar, Don Alton, vocal and rhythm guitar, Scott Gartshore, vocal and rhythm guitar.

When the band had finished its set, the members immediately left the stage and cleaned tables, worked in the bar and did other chores.

The next group, Harmony Road, consisting of Joanne Bull and Rob Reid, did an excellent job in entertaining the crowd. Joanne's powerful voice, combined with Rob's harmony gave the crowd an insight into a group that's going to go a long way in the music business.

Following Harmony Road, Flat Broke, comprised of Barry Robertson, drums; Floyd Henry, rhythm guitar; Rick Stamp, base guitar; Leo Henry, lead guitar; kept the floor crowded with dancers for an hour.

A tremendous lunch was prepared and served by Opal Crowe who worked very hard in preparing for this event. Opal has always been an asset to the community in her untiring efforts to help.

A sell-out crowd of over 500 people filled the ice surface of the arena.

Bill Payne was the MC for the evening and made four changes of clothes due to the heat and was known as "Minden Bill from Hindon Hill" with his pet skunk 'Petunia' by his side. He turned down several offers for his four-foot tie that made the coveralls the dress for the evening.

Hats off to all the many people who worked hard to make this a terrific success to raise almost $3000 toward a new bus for Hyland Crest Senior Citizens' Home.

Hustlers trounce Warriors 6-0

The Rockcliffe Hustlers Fastball tournament saw a lot of fast action throughout the weekend as teams played off on a number of area diamonds. Oshawa OCL captured the championship, while Minden took the consolation.

On Tuesday, August 16, the Minden Rockcliffe Hustlers defeated the Haliburton Warriors by a score of 6-0 to sweep the semi-final series in 3 straight games.

The Hustlers got on the scoreboard in the third inning on a two run homer by Colin Newell. In the fourth, Barry Shaw, Brian Shaw and Dave Dollo all crossed the plate to give the Hustlers a 5-0 lead.

The Hustlers score one more in the seventh when Brian Shaw scored on a double by Jack Snell.

Brian Shaw picked up the win, allowing just 2 hits, while Steve Lustig was the losing pitcher.

This was a well played series by both teams, the Minden Club will go on to play the winner of the Bobcaygeon and Lindsay series.

Tournament

In the Rockcliffe Tournament the Oshawa ACL took home the championship. The Minden team won the Consolation Trophy defeating Woodville in their fourth game.

Brian Shaw was named the MVP for the Hustlers.

The Hustlers would like to extend their appreciation to all the fans and the people who assisted in any way to help make the tournament a success. The lucky winner of the 50-50 draw was Lee Oster.

HCDC receives third year funding

To date, the Haliburton County Development Corporation has helped create or preserve more than 75 local jobs. And thanks to the continued support of the federal government, this success will be continued into the future.

The corporation, which is basically a lending institution, is heading into its third year of operation in the county with a solid track record. Victoria-Haliburton MP Bill Scott praised the corporation for its efforts to date and urged them to continue to create employment for the county during a recent press conference. In addition to his praise, Scott delivered a $482,300 cheque.

Reading from a prepared news release at the corporation's office in Haliburton Village, Scott said the funding will help the corporation in its efforts to create more permanent long-term employment by offering business advice and additional investment funds in the private sector.

Andy Campbell, manager of the corporation, said the funding was delivered just in time. As part of five-year program, the corporation receives annual grants. Campbell said almost all of the corporation's funds were loaned out to local businesses when Scott delivered the next round of funding. "The cupboard was almost bare," he said.

In the corporation's second year of operation, it helped create an estimated 30 jobs by loaning $353,400. The job creation ratio was down slightly from the previous year. However, Tom Cookson, Program Consultant with the Community Futures Program, was still calling the year a success.

Cookson said the record of the Haliburton County Development Corporation compares well with comparable outlets in Ontario. He credited Campbell, the staff and the volunteer board of directors for keeping the corporation in tune with the community.

Of the jobs created last year, 11 were in the manufacturing sector. There were 10 in the tourism sector, 7 in the service sector and 1 in each of construction and trade.

Businesses in Anson, Hindon and Minden took the largest portion of the loans with 23.3 per cent. Sherbourne and Lutterworth businesses each took 21 per cent, Dysart took 20 per cent, Cardiff took seven per cent and Stanhope took three per cent.

Of the $482,300 grant, $350,000 will be made available for loans. The rest will be used as operating funds or for other projects which promote Haliburton County as a location for new or expanding business.

Over the course of five years, the corporation will have received $1.5 million in funding for loans from the federal government. From that point on, the corporation is to become self-sustaining.

Victoria-Haliburton MP Bill Scott recently delivered a cheque for almost $500,000 to the Haliburton County Development Corporation. Staff and members of the board of directors were on hand at a special meeting to accept the cheque, which represents the third of five such grants.

by Joel Levis

Some weeks ago, it was announced that the Haliburton County Public Library was receiving the official papers of the House of Commons, namely the **Debates** (Hansard), **Votes and Proceedings, Order Paper and Status of Bills,** ideal for those that may wish to keep a close eye on whatever is going on in Ottawa.

These publications are sent to us at no direct charge by the government of Canada under the terms of our "Selective Depository" status. This program enables us to select one copy of just about every public document issued at no charge to us.

Since there is not a local interest in everything that is available (and we don't have the space to house it anyway) we select those items which will be of possible interest for inclusion in our collection. For example we now receive the **Canada Gazette** which is essentially "the newspaper of the government" where the business of government is officially announced or proclaimed. As well, we also receive the regular publications of many government departments. These titles are being brought together in a computerized format and it is hoped that the listing will be available to the general public in the near future.

We are receiving all of the Canada **Census** publications which will provide the basic data needed to make so many decisions which are important to all of us.

To make sound decisions, you must be in possession of all the facts. Thanks to our "Selective Depository" status, this option is open to all of us.

Kids' art and crafts were on display for one day last week at the Agnes Jamieson Gallery. The crafts were completed by youngsters who took part in the summer recreation program put on through the municipality. Seen here, from the left, are Chris Irwin, Deneena Davis, Terri Legge and Samantha Reagin. The recreation program was quite successful again this summer, with an average of 13 kids attending the programs each day.

Snack bar takes second

The Rockcliffe Snack Bar ladies fastball team, with some additions from other county teams, placed second in a tournament played August 13 and 14 in Omemee.

In the championship game, they were defeated 4-1 by the Cameron Night Owls. The Rockcliffe squad.held a 1-0 lead going into the fifth inning, before the Cameron team pulled ahead to capture the victory.

Marcie Severn of the team was selected as the most valuable player in two of the games the team played during hte competition.

Earlier this season, the same team captured top honours in a tournament held in Fenelon Falls.

The team is coached by Tom Simmons.

This coming weekend, 12 teams are expected to be on hand for the ladies fastball tournament at the Minden diamond.

Consumer laws revamped

by John Eakins

A while ago, I discussed a new initiative by our government to revamp provincial consumer protection laws, which in most cases, are 20 years old.

Two years ago, the Legislative Review Project was created to review 20 pieces of consumer legislation administered by the Business Practices Division of the Ministry of Consumer and Commercial Relations. The Legislative Review Project was also designed to bring forward proposals that would assist in the development of a new consumer protection strategy.

The report of the Legislative Review Project was recently released and it is the first step in the revamping of our consumer protection laws. The Ministry of Consumer and Commercial Relations has already created an internal structure to review the report and its accompanying research papers. Following public consultations, specific legislative proposals will be developed and brought forward for consideration.

Most of Ontario's consumer protection laws date back to the late 1960's and it has become increasingly obvious that many of these laws need to be overhauled so that they more accurately represent the consumer marketplace of today.

The Legislative Review Project was headed by Dr. Gregory F. Mazuryk, who has a doctorate in psychology as well as an M.B.A. from the University of Toronto. He was director of the Ministry of Community and Social Services' Program Technology Branch before being named Project Director of the review team. The formulation of a set of basic principles of marketplace fairness against which government policies and legislative initiatives can be measured was one of the review team's most important tasks.

One of the key proposals made by the review team is the consolidation of the basic consumer protection code. The code would embody the basic rights, responsibilities and remedies of consumer transactions. The report further suggests that the industry-specific statutes, such as the Travel Industry Act and the Real Estate and Business Brokers Act, be revised and their generic consumer protection provisions transferred to the umbrella-like consumer protection code.

Grants total $14,000

The townships of Dysart et al will receive $14,000 in support of recreation programs and a local restoration project, MPP John Eakins announced last week.

The township will receive $8,000 for renovations to the Rails' End Gallery in Haliburton.

The funding comes from the Community Facilities Improvement Program of the Ministry of Culture and Communications. Eakins made the announcement of behalf of Lily Oddie Munro, Minister of Culture and Communications.

The funding is in support of the current restoration project which includes a new wooden shingle roof and a new paint job.

The municipality will also receive $6,000 under the 1988 Municipal Recreation Grant program. This funding is in support of various recreation programs offered through the municipality.

Eakins made this announcement on behalf of Hugh P. O'Neil, Minister of Tourism and Recreation.

Also, the Haliburton Figure Skating Club, which uses the Dysart Community Centre, has received $1,101 for the purchase of a photocopier and for program promotion.

Minister supports Eakins' recommendations

Minister of Municipal Affairs John Eakins led Ontario's delegation last week during a four-day conference of Municipal Affairs ministers from across Canada.

Eakins, MPP for Victoria-Haliburton, was instrumental in the creation of the most important decision made during the session. The provincial ministers supported the Eakins' resolution which urges the federal government to create a national municipal infrastructure support program.

"Infrastructure" refers to the most basic services provided by municipalities, namely sewers, water services and affected road systems.

The rising costs of the construction and renovation of water and sewer systems in municipalities is a common and growing concern across Canada. Despite the rising costs, the federal government offers no financial assistance to Canadian municipalities.

The ministers also supported another proposal set out by Eakins regarding future talks with the federal government. The provincial ministers firmly agreed that the federal government must get involved in future discussions regarding municipal infrastructure support. They will urge the federal government to take the initiative and designate a minister with whom discussions can take place. Provincial Ministers of Municipal Affairs do not have a federal counterpart to approach for discussions on municipal infrastructure.

The ministers and deputy ministers agreed unanimously that municipal infrastructure funding should no longer be ignored by the Government of Canada and that the federal government indeed has a part to play. This investment of funds is necessary to achieve two important objectives: a clean and safe environment and the strengthening of local and regional economies.

The conference also requested that the federal government restore its financial support to the Intergovernmental Committee on Urban and Regional Research - (ICURR). ICURR is the only national agency which distributes information related to local government research and issues in Canada. The federal government has been been financing hald of INCURR's budget since 1967 through the Canada Mortgage and Housing Corporation, but recently decided to cut its funding in half. The provincial ministers also requested that the federal government work with the provinces and territories to develop an enriched role for ICURR.

Besides presenting a paper on the financing of infrastructure, Eakins, on behalf of Ontario, also lead discussions on two important aspects of municipal life. These are the questions of open council meetings and their importance in a democratic society, and the growing concern of municipal conflicts of interest. The two papers Eakins introduced on these issues generated some interesting debate among the various Ministers of Municipal Affairs.

The conference was held in Bromont, Quebec, a resort area located about 80 kilometres south and east of Montreal. Next year's conference will be held in Alberta.

Gallery gets new coat of paint

by Virginia Muenzel

The outside of the Rails' End Gallery is literally crawling with prople this month. Thanks to the co-operation of the Dysart municipality (they supplied the materials) the Canada World Youth group is giving the gallery a much needed coat of paint. And they are doing a great job. We also have been fortunate enough to qualify for help from two young women in the group. Their names are Danielle Blain from Montreal, Quebec, and Bushra Ijazkhan from Islambad, Pakistan. Please stop and say hello to them when you visit the gallery.

On Wednsday, September 14 at 12 noon, the HHGFA is hosting a guild member luncheon at the PineStone Inn. There will be 100 tickets pre-sold to this event at $7.00 each. It's a great opportunity to become acquainted with fellow members, hear a guest speaker and enjoy a tasty lunch. I would like to extend my personal invitation to you to participate in this function. Tickets are available at the gallery. Our board member Elva Robinson is making the arrangements.

Have you seen the August gallery show? People are quite awestruck by Michael Robnson's compelling art. Allow yourself some time to spend in the cool, quiet Highland room of the gallery. Each of his pieces has a story to tell. They certainly make you think. Afterward, you can visit the Waiting Room and relax with Mary Ellen McQuays handpainted photographs. They are sure to stir up memories ad glimpses into most everyone's childhood.

Don't forget, August 17 is music night at the movies. And on August 24 the gallery will be showing William Weintraub's Canadian production 'Why Rock the Boat'. The last movie will be on August 31. His Girl Friday with Cary Grant and Rosalind Russell. Donations are gratefully accepted at the door.

See you at the movies.

Derby a success

submitted by
Jim Ritchie

A small but enthusiastic crowd turned out, as the Canning Lake Property Owners Association held its first rock bass tournament for kids on Saturday, August 6.

The event, which was encouraged by the staff at the Ministy of Natural Resources, was blessed with fair weather and a calm lake. Kids of all ages fished in the morning, then at 1 p.m. began to come ashore for the official "count in". Top spot for the kids 15 years and older went to Scott McGuire of Minden, with a whopping creel of 93 fish. Following at a distant second was Frank Sedej of Etobicoke with 17 rock bass.

In the seven to 12 years category there was no contest, as the team of Brad Russell and Sean Kevilovski tipped the tournament scales with an even 100 fish. Second place was more hotly contested with Ryan Howett of Georgetown edging out Larisa Wiliamson of West Vancouver, B.C. by 22 fish to 19. Honourable mention goes to Jeff Townsend of Guelph who landed nine fish. In the six years and under group, top spot went to Tonja Jefford of Willowdale with 24 pan fish.

With the persistence pays off department, special mention must go to four-year-old Danielle Ritchie who fished her heart out and was able to enter one lone rock bass at the final whistle.

for your service

by John Beattie, Legion Branch 636

Comrades, Our Minden Branch 636 is Ontario's newest Charter Member (if not Canada's!) in The Royal Canadian Legion. As your President, it gives me great pleasure to request your presence at the Official Opening Ceremony of our newly acquired premises.

The Ceremony will be held on Saturday, September 17, at the end of "Legion Week". The hours will be from 12 noon to 5 p.m. It will be a light buffet, with a minimal charge of $5.00 per person. Comrade Presidents of neighbouring Zone Branches, their Executives, plus Provincial and Zone Legion dignitaries, have been invited. Local, provincial, and federal elected government representatives are expected as well.

A marquee-tent will be placed on Legion grounds for the grand occasion. We are counting on your favourable response. Fraternally yours, Anthony Samarillo, President.

Can a Pot Luck supper possibly compare with all the preceding? Your Branch kitchen crew says yes, and you are invited to a Pot Luck supper just before your next General Meeting - supper at 6 p.m. - usual General Membership Meeting time of 7:30 p.m., all on Wednesday, September 7.

Now a plug for hard working Comrades (needless to say unsolicited!). Many Comrades have put in their fair share of volunteer time for their Legion, but the amount of volunteer time put in by Comrades Ann and David McAdam, as well as Bill and Sally Bonner, is unbelievable.

Department of Veterans' Affairs representative Gary Barker (from the Peterborough Office) is at your Branch to serve you the last Tuesday of every Month, around 1 p.m. It helps matters if Comrade Frank Dunsford (your Branch Service Officer) knows in advance if you wish an appointment. Frank (now in his capacity as Membership Chairman) would like to point out that "Early Bird" Membership renewals come up in the fall. It is a chance for those heading south in the winter to "remember not to forget".

In summation: an ad will appear in this excellent newspaper prior to the Big Day of September 17, as your reminder, and enjoy the Pot Luck on the 7th!

Beware of false bank inspectors

by Doreen Hawman

The Canadian Bankers' Association cautions all of us to be on our guard against someone claiming to be a bank inspector or a police officer, who is investigating an employee of the bank where your have your account. Their explanation will be that they are trying to trap a dishonest employee by way of fingerprints or other means. The con artist will ask you to withdraw money from your bank account using the strictest secrecy so as not to alert the employee. You will be instructed to give the money to them to be used as evidence. Always remember this basic fact - No bank employee or police officer will ever ask you to withdraw money from your account for any reason.

If at anytime you are approached in this manner, call the police or your bank manager right away! They will know how to handle the situation in a professional manner, avoiding any danger to you. If you require help with an application or have a question that needs answering, contact your nearest information centre. In Haliburton the centre is located in the Drag River Municipal Building, Maple Ave., open Monday to Friday, 10:00 a.m. to 4:00 p.m. or call 457-2733.

For residents of the Minden area, the centre situated in the Municipal Building Milne Street, Minden is open every Tuesday 10:00 a.m. to 4:00 p.m. or call 286-4100.

The Kawartha Dairy Barn Dance will very likely become an annual event after the success of the first one, held recently at the Minden Community Centre. Close to 800 people came out to listen and dance to the music of North County Express. Rob Crowe, a member of the band and one of the people involved in setting up this charity event, delivered the proceeds to Hyland Crest last week. Administrator Dwight Morley was overwhelmed by the donation, which will help buy a new bus. Almost $3,000 was raised and Morley thanked everyone involved while accepting the cash.

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

senior league

by Pearl Lyle

Hello Readers:

This is another nice hot day. Guests for Gertie McKay were Violet Greer of Coboconk and Laura McKay and daughter of Stouffville. Jean Taylor was in Toronto last weekend to attend the wedding of Chris Hobbs and Darlene Van Tente. Chris is the grandson of Ina and John Hobbs.

Derek Hewitt of Burlington, called on me Friday afternoon.

Mr. Morley has had his daughter Allison, of Toronto visiting him this past week, also Mrs. Morley for the weekend.

It was very nice to have Vi Cooke of Kinmount in for a visit. She sure can brighten the day for us. "Thank you, Vi."

We are glad to have Lola Prentice home from the hospital. Birthdays at Hyland Crest for September are Mrs. Eastman, Gladys Kirkpatrick, Nancy Carefoot, Maron Rose and Mary Oliver.

Our service in the chapel Sunday night was in charge of Rev. J. Burgess. Although it was hot and there were so many away, there was very good attendance. Tuesday morning service was in charge of Rev. Moll of the Minden United Church.

Winnie Barnum was out for dinner Sunday evening, with Mr. and Mrs. Roy Cameron of Peterborough. The bingo game yesterday was very well attended and was enjoyed very much. Sorry to report some still on the ailing list, Edna Cowan, Annie Schultz, Lola Prentice, Mary O'Toole and Ruby Lewis. The ladies from Hall's Lake brought our Thursday afternoon tea and it was really enjoyed - both the lunch and the music after.

Visitors with Angus Coulter were Mr. and Mrs. Leslie Coulter of Kirkfield.

Honour all men, Love the Brotherhood, fear God and Honour the King.

Au revoir.

NOTICE TO ALL POTENTIAL CANDIDATES IN THE 1988 MUNICIPAL ELECTION

Provincial Legislation has recently been passed which diretly affects all candidates in the 1988 Municipal Election.

All candidates must file a notice of registration with the Municipal Clerk responsible for the conduct of the election, no later than Nomination Day, and no campaign contributions may be accepted until the candidate is registered.

The new legislation places restrictions on campaign contributions, and limits expenses which may be incurred by candidates.

If you have any questions about the legislation please contact your Municipal Clerk.

by Jeanne Sears. Call 286-1538

Several birthdays coming up are those for Mary O'Toole, August 24 and Edna Cowan, August 25, both at Hyland Crest. Congratulations to both.

* * *

Sincere sympathy goes to the families and friends of the late E. Steenburg, A. K. Sutherland and Stan Hill, of Willowdale, whose funerals were since last week.

* * *

Lyn and Craig Morrison and Jordan of Toronto enjoyed a visit with his mother Alice Morrison and visits with other old friends and relatives.

* * *

Winners at the Tuesday Luncheon Euchres at Minden Legion on August 16 were: man's - Rheta Brown, ladies - Vera Ward, lone hands - Jack Weekes and also Flo Dollo; door prize went to Isabel Robertson. Next games there will be August 30. Call 286-2733 or 286-2872 for reservations.

* * *

The Horticultural Society Show was well attended at all times and, though not too many entries, those we saw were excellent. Door prize winner was Dorothy Boyd.

* * *

Mrs. Mary Hutchinson of Lindsay spent a week with her daughter Maxine and Oswald Snell. Part of the time was spent at the Minto trailer at Buckhorn and the ladies took Jennifer and James Minto with them.

* * *

We were happy to hear that Les Northey was able to be home for the weekend with his family.

* * *

Michellene Cruickshank and Ron East from Shelburne visited last weekend with grandmother Jean Lacey and the Jim Simpson family.

* * *

Report on Ken Rowden this week is that he is in stable condition with no changes at present. Ken is in Room 224 in Peterborough Civic Hospital.

* * *

Club 35 euchre results for this past week are: 50/50 - Jack Gregory, most lone hands - Pearl Foster, high lady - Sharon Evans, high man - Marie Couroux, and others - Ann McKinley, Ralph Schad and Shirley Bunker.

* * *

Sunday, August 14 there was Open House at the Leonard Thornett home on Deep Bay Road in honour of Violet Thornett on the occasion of her 80th birthday with a crowd of family, friends and neighbours bringing their good wishes.

* * *

Mary Cox was away last weekend at Peterborough and Roseneath with relatives and attended a Jack and Jill Shower for grandson Dale Henderson and Nancy Cameron.

* * *

The Snowdon Township Council had a dinner party for Geoff Wynne on the occasion of his retirement. This was held August 15th at Gelert Gardens. We wish them all the best as they are moving to Whitby.

* * *

There was a 50 - 50 draw made during the ball tournament last weekend with winner of nearly $200 being Lee Oster, congrats to him.

* * *

The Minden County Town Museum had their monthly meeting on August 17 and final plans were made for their tearoom at the fair and float in the parade. The Museum will be open until early September daily Monday through Saturday from 10 - 4:30.

* * *

The Museum are having a "Make us an Offer" sale at the Moore home on Prince Street; watch for the signs and for information phone 286-1674.

* * *

Now we may have another mail strike, but don't forget it is Election Time - perhaps this might be settled more quickly. The Bell strike still goes on but if you know your own number, this does not seem to make much difference.

* * *

Next meeting of the Alzheimers Support Group will be Wednesday, August 24th at Haliburton Legion hall with speaker Walter Thomas speaking on Maple Hills Manor - Complex.

CARD OF THANKS

I would like to thank, on behalf of the Haliburton County Fair Kids Day Events, the Royal Canadian Legion, Branch 129, Haliburton, for sponsoring the games on Sunday, August 21 at the fair. Others who contributed, and are gratefully acknowledged are: Dollo's I.G.A., McMahon Feed and Tackle, of Minden and Kozy Korner Restaurant, Haliburton.

Bess Cox,
Kids Day Events

We wish to thank all our family and dear friends from near and far who helped us celebrate our 40th Wedding this past weekend. Special thanks to those who prepared food, the Haliburton Highlands Scottish Country Dancers, the participants in the mock wedding, and Mr. and Mrs. Ed Pergolas for a fantastic meal. We were so happy to share this very special occasion with all of you.

Angus and Gloria Cameron

I would like to thank Paul Heffer and Julie Gray, and any others who assisted me from church to hospital. Also Dr. Holliday-Rhodes and the wonderful nursing staff at Minden Hospital. Ambulance drivers, Dwight and John, and Dr. Ho of Peterborough. Also thank you to Barb and Stephen Dawson and of course my husband and grandmother.

Cathy Arbour

We would like to say a Big Thank You to everyone who donated their time and talent. Thank you to the bands for their wonderful music. All of the people who helped me in any way. All the sponsors for the spot dance prizes and door prizes and draws. These are what you call good hearted people. And to you the public for supporting us in our bid to help out our Senior Citizens Bus Fund. To those of you who didn't make it you missed a fantastic time. See you next year, same time, same place. Thank you one and all.

Don and Opal Crowe,
Kawartha Dairy

CARD OF THANKS

I would like to take this opportunity to thank the community, the congregation of St. Paul's and all those involved in organizing the open house, all the people who came to the open house and the staff at the IGA for their generosity and kindness. I would also like to thank my friends, family and the Rotary Club for their generous support in preparation for the upcoming year. This year will be an amazing experience for myself and I am very proud to represent Minden, Ontario and Canada. Thanks again to EVERYBODY for all your support. Special mention to Aunt Illa, Joan Swan, Muriel Welch, Grandpa and Grandma Campbell, Fr. George, Kiera Connelly, Grandma and Poppa Sisson, Russ Paul, Sharon Martin, Marie Austen, Jean Lacey and my parents Jeff and Nadene Campbell. Sincerely,

Misti Campbell

Sir Sandford Fleming College would like to express appreciation to all those that offered accommodation to students of the Haliburton School of Fine Arts. Each of you is an important contribution to the continuing success of our program.

A thank you to my committee of the Minden Horticultural Society's Flower Show. Marion Ingram and Maryann Wilson. Also a special thanks to Bernice Gillies for her work in the refreshment area and all her helpers. Stan Hill for scoring the prizes and everyone who helped, especially the exhibitors. Thank you.

Peggy Harrington
